

# Journey with Inanna, Ereshkigal & Ninshubur

**An Ancient Story offers Wisdom for today's Woman  
through Sacred Theatre, Kundalini Yoga, SoulCollage, Meditation & Council**

*We invite you to join us in re-image-ing & re-claim-ing  
our Woman's path in both our under-world times of  
difficult passage & our ordinary-world daily consciousness.*

*We will explore the oldest mythic story  
from the Sumerian times of  
Inanna, Queen of Heaven & Earth, and her journey  
to the Underworld to reclaim relationship  
with her abandoned sister Ereshkigal,  
Queen of the Underworld.*

*Before she embarks on this perilous journey,  
she activates the support of her ally, Ninshubur.  
By story's end, Inanna's relationship with Ereshkigal, Ninshubur  
AND her elders, sons & husband are transformed.*

**Facilitated by Shamsher / Diane Bunting (MS, IKYTA certified, Level 2) and
